Christmas Tree Pick-up service

(Kahnawake – 4, Tsothohrhkó:wa/January 2018)

The Waste Management Department of the Mohawk Council of Kahnawà:ke wishes to inform residents that Christmas Trees will be picked up as part of the bi-weekly Special Recycling Collection on weeks of January 7 and January 22, 2018.

To ensure that your tree is picked up:

- Please make certain that all decorations have been removed
- Please ensure that the tree does not freeze in the snow bank
- Place curbside by 7 am on your regular 'special collection' pick-up date

For those wishing to drop off their tree, there will also be a special bin at the Transfer Depot throughout January.

This service is being provided in accordance with the Community Waste Reduction Plan. Collected trees will be transported to a composting facility, rather than to a landfill site.

To verify your 'special collection' pick-up date, please visit kahnawake.com/wastemangement, Like Us on Facebook at [Kahnawake Waste Management](https://www.facebook.com/KahnawakeWasteManagement) or contact the Waste Management Department at **450-632-5825**.
