## PUBLIC SERVICE ANNOUNCEMENT

### Freezing Rain Warning issued

**(Kahnawake – 10, Tsothohrkó:wa/January 2014)** The Community Protection Unit of the Mohawk Council of Kahnawà:ke would like to ensure that community members are prepared in the event of freezing rain conditions, which are being predicted this coming weekend. Very mild air is forecast to be over much of the province which will bring freezing rain to the region beginning early Saturday morning, January 11<sup>th</sup>.

Motorists are advised to use extra caution if driving in affected areas. Allow extra time to reach your destination and take the time to ensure all windows are clear of ice and snow.

Visit the [Environment Canada](http://EnvironmentCanada.ca) website to follow forecasts and weather warnings or call the Community Protection Unit at **450-632-0635** for more information on [winter preparedness](#).

#### **SUGGESTED INSTRUCTIONS FOR MEDIA**

Please mention periodically while freezing rain weather conditions last.
