## Tsi Nahóten Karihwanákere No'nenk News Release

### **Mercier Bridge Lane Closure**

#### **For immediate release**

**(Kahnawá:ke – 10, Tsothhohrkó:wa/January, 2007) There will be a closure of the Montreal bound left lane on the Honoré-Mercier Bridge on Saturday, January 13, 2007 between the hours of 6:00 a.m. and 6 p.m.**

**The closure is necessary to allow structural steel maintenance below the road surface. In order to facilitate the operation, weight caused by traffic must be reduced.**

**Portable message signs will be installed at the entrances of the bridge on Thursday to warn drivers of the closure and hopefully minimize congestion as much as possible.**

**To help prevent potential traffic jams, commuters are encouraged to use alternate routes on Saturday, January 13, 2007.**
