Reminder on Responsible Recycling

For Immediate Release

(Kahnawake – 17, Tsothohrhkó:wa/January 2017) The Kahnawà:ke Waste Management Department would like to remind residents of the need to follow the 'acceptable materials' guidelines for items deposited in the 360L recycling bins and to **be sure recycling materials are cleaned and free of food** to avoid attracting rodents while in storage.

Only items described in the list of '**acceptable materials**' should be placed in the 360L bins:

- Glass Bottles & Jars
- Metal Cans & Containers
- Plastic Containers
- Plastic Bags (wrapped together)
- Milk & Juice Cartons
- Newspaper & Paper products (cereal type boxes are acceptable, while **Cardboard** is for special collection)

Acceptable materials for the **bi-weekly Special Collection** (placed beside the 360L bin) include:

- Refundable Bottles and Cans
- Cardboard Boxes (packing boxes and clean pizza boxes)
- Metal
- Electronics
- Used Batteries
- Household Hazardous Waste (paint cans, chemicals, etc)
- Clothing
- Used Motor Oil and Cooking Oil (in original containers)

The complete lists of acceptable materials, as well as the Special Collection calendar can be found online at kahanawake.com/wastemanagement or on Facebook by searching "[recyclinginkahnawake](#)".

Unacceptable materials deposited into the bins for collection by the recycling truck can damage or jam the vehicle and cause delays in service. Please recycle responsibly and be cautious of what goes into the 360L bin.

If you have questions, please contact the Waste Management Department at **450-632-5825**.
