COMMUNIQUÉ

No Super Bowl Parties this year

For immediate release

(Kahnawake – 2, Enniska/February 2021) In an effort to reduce the spread of the virus, the Kahnawà:ke COVID-19 Task Force (Task Force) is reminding the community that Super Bowl parties are *not Permitted*. The Task Force would also like to remind the community that visitations are permitted under Directive 36.4 but **limited to one other household** at a time and limited to once per week, and this should not be used as an opportunity to have a party.

Kahnawa'kehrónon are being asked to watch the game safely and responsibly from the comfort of your own home.

“The Super Bowl is always a big event here in town, and we would like to remind residents that hosting a party is not permitted,” said Robyn Montour, General Manager of the Public Safety Division. “There are alternatives to watching the big game with family and friends, such as hosting a virtual Super Bowl party via Zoom or FaceTime.”

All Task Force Directives currently in effect can be viewed at <http://covid-19.kmhc.ca/2020/04/22/directives>.
