(Kahnawake – 8, Enníska/February 2012) The Mohawk Council of Kahnawà:ke (MCK) would like to inform the community that its internal email system underwent scheduled maintenance on Saturday, February 4th. Any external emails that were sent to an MCK email address were not affected and have been received as normal.

However, there was an issue with MCK website forms not being received between Saturday, February 4th and Wednesday, February 8th at 10am. More specifically, mailing list and text message signup forms from kahnawake.com, kahnawakemakingdecisions.com and contact and question forms on kahnawakecasino.com were not received.

The MCK requests that anyone who has submitted one of these forms please re-submit in order for us to follow up. We apologize for any inconvenience this may have caused.
