Myiow removed as Council Chief

For immediate release

(Kahnawá:ke – 15, Enníska/February 2006) The Mohawk Council of Kahnawá:ke (MCK) has announced that Keith Myiow has been removed from his position as Council Chief by virtue of a vote of non-confidence by his fellow chiefs.

This decision is a result of the culmination of several incidents, including the removal of confidential documents from the Council chambers; and the misrepresentation of the MCK in a recent incident regarding the parole of a Kahnawá:ke man.

There are several violations of the “declaration in regard to duties and responsibilities” (MCR #26/2004-2005) that all chiefs signed immediately after taking office.

The Council's decision is effective immediately.
