Animal Protection moves into new facility

(Kahnawake – 15, Enniska /February 2017) The Animal Protection Department of the Public Safety Unit would like to inform the community that they have now moved into their new facility located just west of the K103 Radio Station building.

Until their phone lines are set up please **call the Animal Protection Officer directly at 514-232-3307.**

The new facility is equipped with a pound which will once again allow them to house animals. An open house for the public to view the new facility is planned for some time this spring. The community will be informed when the date is announced.
