

# **PRESS RELEASE**

## **Vegas Night Postponed**

### **For immediate release**

Kahnawake – February 18, 2010

The Kahnawà:ke Youth Center, in consultation with its Board of Directors, has made a decision to postpone the annual Vegas Night that was scheduled for Saturday, February 20, 2010.

Contributing factors were that some key Vegas Night Volunteers could not be available for the event and organizers felt it necessary to reschedule being mindful that there are other activities also scheduled for this Saturday night.

The Staff and Board of the Kahnawà:ke Youth Center would like to acknowledge and thank the Community for its continued support. A new date for the annual fundraising Vegas Night will be announced shortly.
