Updated Public Health and Isolation Measures

For immediate release

(Kahnawake – 22, Enniskó:wa/March 2022) The Kateri Memorial Hospital Centre Public Health Department and the Public Safety Commission wish to update the community on the current Public Health Measures as per Directive #65 under the Kahnawà:ke *Emergency Preparedness Law*.

The complete and revised Public Health Measures including new isolation guidelines for case and contact management document can be [found here](#).

Public Health recommends that individuals use their judgment, knowledge, education, and acceptable level of risk when deciding about distancing in their personal indoor and outdoor home environment.
