PUBLIC SERVICE ANNOUNCEMENT

Canadian Pacific work on Seaway Bridge

(Kahnawake – 26, Enniskó:wa/March 2021)

The Mohawk Council of Kahnawà:ke (MCK) wishes to inform the community that Canadian Pacific (CP) Engineering will be installing temporary railings beginning next week from March 29th and April 1st, 2021, for future rail replacement slated to occur mid-April.

CP's engineering employees will be on the Seaway Bridge daily to complete the temporary railing installation, which is anticipated to occur between the hours of 9:30am – 3:30pm. The temporary railing will allow CP employees to work safely during the rail replacement stage.

The MCK thanks the community for their patience throughout this project.
