Road closure near Kateri Memorial Hospital Centre

(Kahnawake – 27, Enniskó:wa/March 2020)

The Mohawk Council of Kahnawà:ke wishes to advise the community of a road closure taking place near the Kateri Memorial Hospital Centre.

The small laneway on the east side of the KMHC (facing towards the Moose Lodge) is closed as workers prepare the site for the COVID-19 Testing Site that is expected to open this weekend.

Please note that there may be additional work being done in this area in the next few days. The community will be made aware of any further closures and asks that drivers take extra precautions when using roads in that area.
