COMMUNIQUÉ

Walk-ins to continue for vaccination campaign until April 6th

For immediate release

(Kahnawake – 29, Enniskó:wa/March 2021) The Kahnawà:ke COVID-19 Task Force wishes to inform Kahnawà:kehró:non that walk-ins will be accepted on a daily basis at the Mass Vaccination Center until Tuesday, April 6th.

Residents who wish to be vaccinated can do so without appointment at the Mohawk Bingo Hall on Route 138 between 9:30am until 4:30 between Tuesday and Saturday until the end of the campaign on April 6th.

“It had become apparent that walk-ins were more convenient for those who want their vaccination,” said Commissioner of Public Safety, Lloyd Phillips. “We have made the modifications necessary to allow for the busy schedules of community members.”

For those who have already booked and confirmed appointments, they will be respected. Non-residents will be turned away unless preapproved for booking. All safety protocols will be in place, including masks (provided), distancing, and hygiene.

Appointments can still be made by using the Clic Santé form on www.kahnawake911.com/vaccine, or by telephone at **450-638-3930 ext. 2295 or 2206**. Anyone with an appointment will not have to wait in line.
