

COVID-19 second Booster Shot Vaccination Clinic

For immediate release

(Kahnawake – 30, Enniskó:wa/March 2022) The Kateri Memorial Hospital Centre (KMHC) and Public Safety Commission are pleased to announce that a Vaccination Clinic for the second COVID-19 booster shot (4th dose overall) for elders **80 years of age and older** begins on Thursday, March 31, at the KMHC.

This Vaccination Clinic is recommended for elders and those who are immunocompromised.

The Vaccination Clinics will be held at the **Kateri Memorial Hospital Centre (room A154)** on the following dates:

COVID-19 Vaccine Booster Shot (4th dose):

- Thursday, March 31 - **1pm to 4:30pm**
- Friday, April 1- **1pm to 4:30pm**
- Thursday, April 7 - **1pm to 4:30pm**
- Friday, April 8 – **1pm to 4:30pm**

You can book your appointment via the [Cllic Sante Website](#) or by contacting the **KMHC** at **450-638-3930 ext. 2243**.

Additionally, anyone over the age of 30 who may require their COVID-19 vaccine (whether 1st, 2nd or 3rd dose) can also book an appointment.

Those aged 5 to 29 who wish to get a COVID-19 vaccine are being asked to please leave their name, phone number, and the dose required for the next available clinic for this age group.

With the number of cases of the COVID-19 Omicron Variant (Ba2), it is recommended to get a booster to enhance vaccine efficacy.
