## Tsi Nahóten Karihwanákere No'nenk News Release

# MCK, Canada Revenue to visit tobacco factory

### For immediate release

**(Kahnawá:ke – 5, Onerahtókha/April 2007)** The Mohawk Council of Kahnawá:ke (MCK) would like to inform the community that the Canada Revenue Agency and the MCK will conduct an initial joint site visit of a licensed Kahnawá:ke tobacco factory today.

The MCK was instrumental in facilitating/organizing the visit, the first of its kind. This was done in cooperation with the licensee, in the interest of facilitating the continued operation of a licensed operator. Another such visit is planned for a second factory in the very near future.

Chief Rhonda Kirby has been the portfolio Chief designated to represent the MCK in this visit.

Further to this, Chief and Council will discuss the tobacco industry over the course of a two-day strategy session to be held on Tuesday and Wednesday, 10-11 Onerahtókha/April. As Monday is a holiday, there will be no regularly scheduled Council meeting on that day.
