SQ Conducting Search on Territory

For immediate release

(Kahnawá:ke – 11, Onerahókha / April 2007) The Mohawk Council of Kahnawá:ke would like to inform the community that the Surêté du Québec is currently conducting an aerial and nautical search for a missing person in the area of the St. Lawrence Seaway.

Police discovered an abandoned car left locked and running on the Mercier Bridge in the overnight hours of April 10, 2007. The driver has not yet been located.

An S.Q. helicopter has been searching the area around the Mercier Bridge and today an S.Q. boat will patrol the St. Lawrence Seaway in hopes of finding the missing person.

As protocol dictates, in the event that a ground search is necessary the Kahnawá:ke Peacekeepers will assume responsibility of the investigation.

Inquiries about the S.Q. presence may be directed to the Kahnawá:ke Peacekeepers by calling 450 632 6505.
