## Tsi Nahóten Karihwanákere No'nenk News Release

# Membership law amendments now available to community members

### For immediate release

**(Kahnawá:ke – 11, Onerahtókha/April 2007)** The Mohawk Council of Kahnawá:ke (MCK) announced that updated copies of the *Kahnawá:ke Membership Law* that include the new amendments officially passed by Chief and Council on 2, Onerahtókha/April are now available for interested community members.

The nine (9) amendments are the first changes to the law since it was initially passed on 10, Kentenhkó:wa/November 2003.

The amendments were initiated by the Council of Elders, following a process that saw the Elders propose the changes, presenting those changes to the community for comments and feedback, and bringing the amendments to a joint table (MCK and Council of Elders).

Copies are available at the MCK main office, at the Social Development Unit (located in the Services Complex) or on-line at [www.kahnawake.com](http://www.kahnawake.com) (under the **Organization > Social Development** tab).
