Recycling Depot no longer accepting Drop-Offs

(Kahnawake – 11, Onerahtókha/April 2017) Kahnawà:ke Waste Management wishes to inform the community that the Recycling Depot (behind Labor Office) will be closing as the transition to the new recycling system takes place over the coming weeks.

Effective immediately, **recycling drop-offs at the Depot will no longer be accepted** as crews will be in the process of cleaning up the area for the upcoming closure.

Residents are asked to utilize the door to door pick-up service already provided and to continue to use either the small bins or clear plastic recycling bags (*can be put in large bins*) until the new collection truck arrives and is put into operation.

The Waste Management Department appreciates your continued patience while the transition to the new recycle system unfolds. All questions regarding waste management can be directed to Holly McComber at (450) 632-5825.
