Mercier Bridge overnight lane closure towards Kahnawà:ke

(Kahnawake – 14, Onerahtókha/April 2023)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec that repairs to the concrete slab will require a lane closure on the Kahnawake-bound Mercier Bridge tonight (Friday, April 14) from **10pm until 6am**.

One of two lanes of the Kahnawake-bound will be available during the work, and both lanes towards Montreal will be open.

Please drive with caution and slow down when entering the mobile work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
