## **Suspect formally charged in child pornography investigation**

### **For immediate release**

**(Kahnawake – 15, Onerahtókha/April 2016)** A local 21-year-old male has been charged with several offences in connection with child pornography. Brolin Prince has been formally charged with accessing and possession of child pornography.

He has been released on very strict conditions, including not being in the presence of minors and not having access to computers. Also, he is not permitted to be near any schools or other areas where children congregate.

The charges stem from a 2 year investigation, and culminated from yesterday's joint operation, involving investigators from the Kahnawake Peacekeepers and the Special Investigations Unit of the Surete Du Quebec.
