#### For immediate release

**(Kahnawá:ke – 16, Onerahtókha / April 2007)** The MCK & Transport Quebec wish to inform road users that the westbound lanes (toward Kahnawá:ke) on the Mercier bridge will be closed to traffic to allow repairs to the concrete slab.

This work will be performed uninterruptedly from Friday, April 20 at 11 PM until Monday, April 23 at 5 AM. Traffic will be rerouted onto the eastbound roadway (toward Montreal) with one lane in each direction. The width of the available lanes will also be reduced to 3.3 metres.

In case of bad weather conditions, work on this project could be postponed to the following weekend.
