## Tsi Nahóten Karihwanákere No'nenk - News Release

### Grand Chief to Introduce Draft Tobacco Regulatory Law

#### For immediate release

**(Kahnawá:ke – 18, Onerahtókha/April 2005)** The draft *Kahnawá:ke Tobacco Regulatory Law* is scheduled for discussion at today's Monday meeting of the Mohawk Council of Kahnawá:ke.

The document is to be presented by Grand Chief Michael Ahríhron Delisle, Jr.

The MCK is in agreement with many sectors of the community, including the Kahnawá:ke Tobacco Association, that there is a need for regulation.

It is hoped that the release of this draft will stimulate discussion not only between Council Chiefs but also among all Kahnawa'kehrónon, whether or not they are involved in the tobacco trade.

"The ultimate goal is to create mechanisms that will make it easier to promote and defend Kahnawá:ke's – not the MCK's – jurisdiction," said Chief Delisle.
