**Repairs to Recreation Path
Thursday and Friday**

(Kahnawake – 22, Onerahtókha/April 2020)

The Capital Unit of the Mohawk Council of Kahnawà:ke wishes to inform the community that remediation work on the Recreation Path is scheduled for this Thursday and Friday (April 23rd & 24th), from 7am to 3:30pm, weather permitting.

There are a few locations on the path between the Moose Lodge to the Golden Age Club that have eroded and present a safety concern. To address this, it is necessary to install large stone and granular materials along the shoreline in these areas.

There will be heavy equipment on-site to install the stone, and it will be necessary to close the path in the work areas to all public during both days.

For further information, please contact the Technical Services office at 450-635-1016.
