### MCK Meet Again on Tobacco Issue

#### For immediate release

**(Kahnawá:ke – 30, Onerahtókha/April 2007)** The Mohawk Council of Kahnawá:ke have announced that Chief & Council will meet tomorrow (Tuesday) to discuss further developments regarding the option of single source distribution for tobacco within the Territory.

The Mohawk Council of Kahnawá:ke (MCK) and its technical team has been conducting research, with industry input, regarding this option. This meeting is a follow-up to an all-day session held earlier this month.

“The one-source option is looking more and more like the right step to take in regard to the long-term viability of the tobacco industry,” Grand Chief Michael Ahrírhon Delisle, Jr. said earlier.
