## Arena Road Area Sewer Line Removal

**(Kahnawake – 3, Onerahtokó:wa/May 2023)** The Capital Unit of the Mohawk Council of Kahnawake would like to inform the community of the upcoming project to replace the Water and Sanitary Sewer Lines in the Arena Road area.

The work is scheduled to start on Thursday, May 4, 2023, and will take approximately two weeks to complete. The project will include the removal of existing sewer pipes. Pipes not being removed will be filled with grout according to pipe decommission guidelines.

Most of the work will take place in fields and will not affect the roadway. Proper road signalization will be installed to warn of the construction limits. The community will also be notified if a road closure is scheduled.

All private properties affected by the work in this area (e.g., driveways, walkways, hedges, and/or fences) will be repaired or replaced prior to the completion of the project.

Shown below is a map of the general area. The shaded area indicates where the work will take place.

Your patience throughout this project is greatly appreciated. Please contact the Technical Services Office at **450-635-1016** if further information is required.
