Garbage Bin distribution ON HOLD

(Kahnawake – 5, Onerahtokó:wa/May 2021)

The Waste Management Department of the Mohawk Council of Kahnawà:ke would like to apologize to those community members who waited in line yesterday for a garbage bin and were turned away empty-handed. Due to unforeseen circumstances, the community distribution has been discontinued at this time.

Prior to ordering the bins, a survey was carried out on the need. However, the level of community interest was underestimated, which led to the long wait times. Moving forward, *distribution will take place for those who have been previously identified by Waste Management as needing a bin.*

Following that, a second distribution for the general population will again be scheduled at a date and place to be determined. Waste Management will ensure that a new, improved plan will alleviate long wait times.

For further information on this project, please call **450-632-4321**. Waste Management encourages all Kahnawa'kehró:non to please participate in the organics and recycling collection to reduce waste. Check out their Facebook page [@recyclinginkahnawake](#) for waste reduction tips.
