## Route 132-138 West Service Road closure begins May 21<sup>st</sup>

**(Kahnawake – 15, Onerahtokó:wa/May 2019)**

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier & Champlain Bridges Incorporated that they will close a section of the 132/138 west Service Road under the Mercier Bridge from **Tuesday, May 21<sup>st</sup> at 5am until Friday, May 31<sup>st</sup> at 5am** for the installation of an inspection platform.

The detour will be under the span, using the old detour roads used for the major bridge works (see map below).

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints or work progression and that it does not take part in the scheduling or cancellation of such works.
