arranged through the Public  
Relations / Communications  
Unit*

## Evelyns Convenience Area Water Sewer Line Replacement

**(Kahnawake – 16, Onerahtokó:wa/May 2017)** The Capital Unit of the Mohawk Council of Kahnawà:ke would like to inform the community of the upcoming project to replace the water & sewer lines in the Evelyn's Convenience area. Work is scheduled to start on Tuesday, May 23<sup>rd</sup> and continue until the end of November 2017.

This project will include replacing the waterline & sanitary sewer system. Upon completion, the road will be resurfaced with new asphalt (*see map below*).

Residents in the area may be inconvenienced with temporary loss of water, dust and noise from trucks and equipment, detours and temporary road closures. Proper road signalization will be installed to warn of the construction limits. The community will also be notified when a road closure is scheduled.

All private properties that are affected by the work in this area (driveways, walkways, hedges and/or fences) will be repaired or replaced prior to the completion of the project.

Please contact the Technical Services Office at **450-635-1016** if further information is required.
