MCK congratulates and thanks Frank Deere upon his retirement

For immediate release

(Kahnawake – 17, Onerahtohkó:wa/May 2021) The Mohawk Council of Kahnawà:ke (MCK) would like congratulate Mr. Frank Deere on his recent retirement after serving the community for nearly 29 years.

Frank retired on May 14, 2021 after a stellar career with the MCK. For the past several years he was the Technical Services Manager for the Capital Unit. He quietly and professionally went about his work with dedication and diligence. Among the many highlights of his career are the successful completions (as Project Manager) of the MCK Extension, the new Sewage Treatment Plant, the new Water Treatment plant, and the Section 95 Housing projects.

The MCK wishes him all the best on his retirement. His many friends and former colleagues wish him great success on the golf course.
