Minor roadway obstruction for inspections to Mercier Bridge

(Kahnawake – 18, Onerahtokó:wa/May 2016) The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec (MTQ) that a crew will be on the Territory inspecting overhead signs on Routes 132 & 138 on Friday, May 20th from 9:30am until 3pm.

There will be a minor impact to traffic, as a safety vehicle will partially block lanes during the inspection work. Additionally, an **MTQ crew will be in the same area today** (Wednesday) to carry out preparation for Friday's work.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints or work progression, and that it does not take part in the scheduling or cancellation of such works.
