Notice from Public Safety re Chateauguay Drone

(Kahnawake – 18, Onerahtohkó:wa/May 2017) The Public Safety Unit (PSU) of the Mohawk Council of Kahnawà:ke would like to inform the community that officials from the city of Chateauguay have notified the PSU that a drone will be flying near the Kahnawà:ke border tomorrow, Friday, May 19 and possibly Saturday, May 20 to drop pellets for mosquito control.

Chateauguay officials are fully aware of the Kahnawà:ke boundary and say the drone should NOT be over the territory.

Chateauguay is informing Kahnawà:ke as part of a courtesy agreement that was arranged last year when they accidentally flew over the boundary and caused concern.

Any questions can be directed to the Director of Public Safety Arnold Lazare at **450-632-0635**.
