PUBLIC SERVICE ANNOUNCEMENT

Water mains flushing begins today

(Kahnawake – 22, Onerahtohkó:wa/May 2024)

The Public Works Unit of the Mohawk Council of Kahnawà:ke wishes to inform the community that crews will be conducting Unidirectional Flushing of the water distribution system beginning today. The work is expected to last about a month.

Unidirectional Flushing is the process of cleaning the water system by flowing water in one direction through the mains. This is accomplished by closing specified valves and by flushing strategically located hydrants.

For further information, contact Public Works by calling **450-632-5825**.
