## COMMUNIQUÉ

### Reopening businesses require Inspection and Health Certificate; Beauty Salons, Massage Therapists not yet cleared to open

For immediate release

**(Kahnawake – 28, Onerahtohkó:wa/May 2020)** The Kahnawà:ke COVID-19 Task Force wishes to remind/advise all Kahnawà:ke businesses that are planning to reopen on Monday, June 1<sup>st</sup> or beyond that they **must** be inspected and possess a valid Health Certificate before conducting business on the Territory.

The failure to follow this directive is a contravention of the *Kahnawà:ke Emergency Preparedness Law*. Inspections can be arranged by contacting the Task Force at 450-632-0635 or by email at [Covid19Inspections@mck.ca](mailto:Covid19Inspections@mck.ca).

Additionally, due to an editing error, Beauty Salons and Massage Therapists were inadvertently not included in the list of businesses that have not yet been approved to open on June 1<sup>st</sup>. For clarity, these must remain closed for the time being. The Task Force apologizes for the error.
