(Kahnawake – 3, Ohiarí:ha/June 2020) The Kahnawà:ke Fire Brigade (KFB) announced on May 22nd that the risk of fire in both Kahnawà:ke and Tioweró:ton was extreme. Due to the lack of rain and warm/dry weather conditions. With the recent change in weather, the risk warning has now been set to Low for both locations.

Tel: (450) 632-7500
Fax: (450) 638-5958

However, the KFB still warns against burning brush and debris. Small campfires are allowed, but those who choose to do so should exercise extreme caution. Have a garden hose or a fire extinguisher handy and never leave a campfire unattended for any period of time. Also, please consider purchasing an outdoor fireplace with a spark arrestor.
