(Kahnawá:ke – 7, Ohiarí:ha / June 2007) The Mohawk Council of Kahnawá:ke Community Protection Unit (CPU) would like to advise the community to refrain from using the main entranceway to the Catholic Cemetery due to the danger of a collapse.

The steel archway was recently damaged by a truck collision and is currently cordoned off. Repairs to the gate are expected to take place within the next couple of days.

In the interest of safety, people are asked to use the alternate entrance to the cemetery facing route 207 until repairs are completed.
