## **Mercier Bridge Inspections this week**

**(Kahnawake – 8, Ohiarí:ha/June 2020)**

The Mohawk Council of Kahnawà:ke (MCK) has been advised by The Jacques Cartier and Champlain Bridges Incorporated that its Inspection Team will be working on the federal portion of the span this week, Monday to Friday between 7am and 4pm.

These inspections will take place underneath the span and will not require any lane closures, or cause disruptions to traffic.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
