Overnight Closures: Mercier Bridge Ramp and R-138 in Lasalle

(Kahnawake – 9, Ohiarí:ha/June 2021) The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier and Champlain Bridges Incorporated (JCCBI) that inspection and maintenance work will require the closure of the R-132 east exit ramp (towards A-30/La Prairie) from the Kahnawà:ke bound Mercier Bridge tonight from **10pm** until **5am**.

A detour via R-138 west will be in place, see map below.

Additionally, the Ministère des Transports du Québec (MTQ) will be working on the overhead signage in Lasalle, which will require the closure of R-138 in both directions between Airlie and Clement, from **11:59pm** until **5am**. A detour through surface streets in Lasalle will be in place.

Please drive with caution and slow down when entering the mobile work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
