## Household garbage does not belong at the Transfer Depot

**(Kahnawake – 11, Ohiarí:ha/June 2018)** The Waste Management Department of the Mohawk Council of Kahnawà:ke would like to remind the community to use the Door-to-Door Garbage Pickup Service for household waste.

Items picked up curbside are:

- Upholstered Furniture
- Mattresses
- Large outdoor plastic toys
- Household Garbage
- Large plastic items
- Pool liners
- Old fencing

**The community pays** \$75 per ton when waste is collected by the garbage truck and anywhere between \$400-\$800 per ton when disposed through the Transfer Depot. To avoid a wasted trip, find out what items are accepted by calling the Transfer Depot directly at 514-249-0961 or the Waste Management Office at 450-632-5825. Check for update posts at “recyclinginkahnawake” on [Facebook](#).

Additionally, the Waste Management Department regrets to inform the community that the construction bins at the Transfer Depot are currently **at capacity**. The company that manages the bins will have them emptied by the end of the day.
