**PUBLIC SERVICE
ANNOUNCEMENT**

Indian Way School Road Asphalt Installation

(Kahnawake – 14, Ohiarí:ha/June 2018) The Capital Unit of the Mohawk Council of Kahnawà:ke would like to inform the Community of the upcoming project to install an asphalt surface on Indian Way School Road. The new asphalt will link to the McGregor's farm area. The work for this project is scheduled to start on Monday, June 18th, and continue until mid-July.

The project will include replacing the road base where needed and resurfacing with asphalt. Residents in the area may be inconvenienced with dust and noise from trucks and equipment, detours and temporary road closures. Proper road signalization will be installed to warn of the construction limits. The community will also be notified when a road closure is scheduled.

All private properties that are affected by the work in this area (e.g. driveways, walkways, hedges and/or fences) will be repaired or replaced prior to the completion of the project.

Your patience throughout this project is greatly appreciated. Please contact the Technical Services Office at **450-635-1016** if further information is required.
