Community Invited to Meet on ATV Law

For immediate release

(Kahnawá:ke – 16, Ohiarí:ha/June 2005) The community is invited to attend a meeting regarding the Kahnawá:ke All-Terrain Vehicles (ATV) Law. The meeting will be held at 1pm Saturday, 18 Ohiarí:ha/June, at the Peacekeepers station.

“We are hoping that the community will bring forward their suggestions for ways for people who own ATV’s to have easier access to the trails,” said Chief Martin Leborgne, one of the organizers of the meeting.

Currently, community members living in the village area and other parts of Kahnawá:ke are able to access the trails by transporting their ATV’s on a trailer.

The Law was created in response to public pressure for the MCK to control the use of the off-road vehicles. Safety concerns and nuisance issues were two of the key factors in its creation.

The Mohawk Council Resolution (MCR) creating the law was signed on 19 Onerahtókha/April 2004.
