## PUBLIC SERVICE ANNOUNCEMENT

### Main Water Line Replacement – Veterans Blvd

**(Kahnawà:ke – 3, Ohiarikhó:wa/July 2008)** The Mohawk Council of Kahnawà:ke would like to inform all Kahnawà:kehró:non that the main water line on **Veteran's Boulevard** will be replaced. The works are scheduled to start on **Tuesday July 8th, 2008** and will continue until the end of **September 2008**.

The water line is being replaced to ensure better service to the community for our future needs.

The project will be carried out in segments to minimize inconvenience to all community members. A temporary water line will be installed to ensure service to all residents during construction.

Residents in the area may be inconvenienced with temporary loss of water, dust and noise from trucks and equipment, detours and temporary road closures. Residents will be notified at least one day prior to having the water turned off. Proper road signalization will be installed to warn of the construction limits. The community will also be notified when a road closure is scheduled.

Your patience and cooperation throughout this project is greatly appreciated. Please contact the Technical Services Office at 450-635-1016 if further information or special requests are needed.
