MCK Authorizes Traffic Study on R-207

(Kahnawake – 5, Ohiarikó:wa/July 2024)

The Mohawk Council of Kahnawà:ke (MCK) wishes to inform the community that it has authorized the Ministère des Transports du Québec (MTQ) to conduct a Traffic Study to determine the possible placement of overhead yellow flashing lights at several intersections on R-207.

The MTQ will install counting equipment at the intersections on Monday, July 8, and will remove them on Monday, July 15, 2024.

Once the data is collected, the MTQ will analyze it to determine whether the installation of the yellow flashing lights is warranted.

For more information, please contact MCK Transportation Coordinator David Lahache at 450-632-7500, extension 50289.
