Tioweró:ton Road Work

(Kahnawake – 12, Ohiarikhó:wa/July 2019)

The Lands Unit of the Mohawk Council of Kahnawà:ke would like to inform the Community that road work in Tioweró:ton will begin on Monday, July 15, 2019, and will last approximately three weeks.

The work will start with the cutting and trimming of vegetation/grass along the roadway's edge and continue with repairs, the changing of culverts, road grading, and replacement of signage.

The recent rough spring thaw caused soft and muddy conditions on roads. That, combined with deep ruts, have made the roads in need of repairs.

Please contact the main Caretaker's cabin at (819) 321-3375 for more information on road conditions. We appreciate your patience during this time.
