REMINDER - MCK survey seeking community feedback for Strategic Plan

(Kahnawake – 13, Ohiarikhó:wa/July 2022) The Mohawk Council of Kahnawà:ke (MCK) would like to remind the community that input is needed to assist with setting the direction for the new MCK Strategic Plan.

Originally launched on July 5th, a survey expected to take approximately five (5) minutes to complete is available by [clicking here](#) until Wednesday, July 20th at 4pm.

Respondents will have the opportunity to share their thoughts on how well the MCK fulfills its vision and mission, prioritization of Political Priorities, and overall feedback.

While the Strategic Plan is still in development, the feedback phase will allow inclusivity of community members, organizations, and MCK employees and help guide the plan to be more representative of the community's collective needs and concerns. Additional surveys geared for other stakeholders such as community organizations and employees will also be distributed shortly.
