## Tsi Nahóten Karihwanákere No'nenk News Release

### **Cultural Center to receive additional funds**

#### **For immediate release**

**(Kahnawá:ke – 16, Ohiari'kó:wa/July 2007)** The Mohawk Council of Kahnawá:ke (MCK) has announced that it has approved a \$100,000 additional contribution to the Kanienkehaka Onkwawenna Raotitiohkwa (KOR) for this fiscal year. This is over and above the \$250,000 that has already been approved for this year, making the new total \$350,000 for 2007/08.

The additional funds were approved by the MCK's Finance, Administration and Operations Committee after the MCK's annual audit showed an operational surplus for the 2006/07 fiscal year.

"We were able to accomplish this because of the cooperation between the MCK's Finance committee and the KOR's representatives," said Chief Johnny Montour. "By working together, we were able to come up with some solutions that will make it easier for the KOR to fulfill its mandate of providing language and cultural information and services to the community."
