**Site works in new residential  
development area**

**(Kahnawake – 16, Ohiarikhó:wa/July 2020)**

The Mohawk Council of Kahnawà:ke (MCK) wishes to advise the community of upcoming site works in the new residential development area.

In preparation for new housing units, the land will have some trees and underbrush removed. The work will take place on **Friday, July 17, 2020 from 7:30am to 3:30pm.** (see map below)

M.J. Excavation, a locally owned and operated company, will have heavy equipment on site to perform the works. Town workers will also be on site to ensure public safety.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression. Your patience throughout this project is greatly appreciated.
