Ratsénhahienhs Stephen McComber and delegation from Kahnawà:ke visiting Oneida Nation in Wisconsin

(Kahnawake – 17, Ohiarihkó:wa/July 2023) The Mohawk Council of Kahnawà:ke (MCK) would like to inform the community that Ratsénhahienhs Stephen McComber and a delegation from Kahnawà:ke are visiting the Oneida Nation in Wisconsin. They will be taking part in tours of the community and participating in workshops related to the Food Sovereignty Portfolio.

“We are here to see their facilities, exchange information, and knowledge in the area of food sovereignty and sustainable development,” said Ratsénhahienhs Stephen McComber. “This week-long visit is a fact-finding mission of sorts, to learn more about their food security initiative, which has been in place for the past 40 years. I would like to thank the Oneida Nation, Kahnawà:ke Shakotiiia'takehnhas Community Services (KSCS), and Kahnawà:ke Collective Impact (KCI) for making this trip possible.”

The delegation is comprised of six (6) community members, including representatives from KCI, and the Three Sisters Garden Group. All costs are being covered by a generous donation from KSCS and organized by KCI.

Ratsénhahienhs Stephen McComber is expected back in the office on Monday, July 24, 2023.
