Water Advisory Lifted

For immediate release

(Kahnawá:ke – 22, Ohiari'kó:wa/July 2005) The Mohawk Council of Kahnawá:ke is pleased to inform the community that the water advisory posted earlier in the week has now been lifted.

Environmental Health Services conducted numerous tests on the water between Kahnawá:ke and the Tekakwitha Island this week, and results from the past two days show the water is now at acceptable levels.

Signs previously posted warning against swimming or recreational activity are to be removed today.
