NAIG gold medal lacrosse game on Paul's Cable

For immediate release

(Kahnawake – 1, Seskéha/August 2014) The Public Relations/Communications Department of the Mohawk Council of Kahnawà:ke (MCK) would like to inform the community that last week's gold medal lacrosse game from the 2014 North American Indigenous Games began broadcasting on Thursday, July 31st on Paul's Cable channel 35 for analog subscribers and Channel 3 if you have a digital box.

While the game was made available on YouTube earlier on Team Kahnawà:ke's website (www.teamkahnawake.com), this is the first non-Internet showing of the game.

"We'd like to thank Paul's Cable for broadcasting the game, as there is still a segment of the community that doesn't have access to the Internet," said Gene Diabo, who was part of the Team Kahnawà:ke Mission Staff at the Games. "We will be preparing a full package wrap-up of the Games in the coming weeks, so keep on the look-out for that."

"On behalf of the entire Mission Staff, I'd like to thank our major sponsor - Mohawk Internet Technologies for making it possible for our athletes to take part in the Games," he continued.
