# **PUBLIC SERVICE ANNOUNCEMENT**

## **Overnight Lane Closures Mercier Bridge & R-138**

**(Kahnawake – 10, Seskéha/August 2022)**

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec (MTQ) that maintenance work on the Mercier Bridge will require a partial left lane closure in both directions.

The lane closures will take place tonight (Wednesday) from **10pm until 5am** on Thursday in the area between both superstructures.

Additionally, maintenance crews with the MTQ will be cleaning out the storm drains on both sides (one direction at a time) of R-138, between R-207 and the boundary line with Chateauguay, tonight between **9pm and 5am**. Motorists can expect temporary mobile lane closures.

Please drive with caution and slow down when entering the construction zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
